Math:	Attributes- Colors
Science:	Apples
Social Studies:	I live in America
Social Emotional:	Rules and Limits

Week 2:

Phonological Awareness:	Distinguish Sounds
Alphabet Recognition:	ABC Song
Print Awareness:	Print Conveys Meaning
Oral Language:	Body Parts
Math:	Attributes/Sound Game
Science:	5 Senses
Social Studies:	The Pledge of Allegiance
Social Emotional:	Take Your Time

Week 3:

Phonological Awareness:	Sound Position
Alphabet Recognition:	Review Alphabet- ABC Song
Print Awareness:	Distinguish Print from Pictures
Oral Language:	Review Colors and Body Parts
Math:	Size
Science:	5 Senses - Hearing
Social Studies:	How Things Change Over Time
Social Emotional:	Self Portrait

Week 4:

Phonological Awareness:	Initial Sounds
Alphabet Recognition:	Aa, Connect Letter/sound
Print Awareness:	Concept of a word
Oral Language:	Clothing Words
Math:	2 Dimensional Shapes
Science:	5 Senses - Taste
Social Studies:	Friends Share
Social Emotional:	What belongs to Everyone

Week 5:

Phonological Awareness:	Clapping Syllables in words
Alphabet Recognition:	Identify Ll
Print Awareness:	Understand directionality of print
Oral Language:	Classroom Item words
Math:	5 Senses – Touch
Science:	Predicting
Social Studies:	Following Rules
Social Emotional:	Job Squads

Week 6:

Phonological Awareness:	Identify Rhyming Words
Alphabet Recognition:	Identify Ff
Print Awareness:	Understand the concept of a letter
Oral Language:	Review of Clothing and Classroom Item words
Math:	AB patterning
Science:	5 Senses - Sight
Social Studies:	Trip to Principal's office
Social Emotional:	Playground Safety

Week 7:

Phonological Awareness:	Identify Initial Sounds
Alphabet Recognition:	Identify Ee
Print Awareness:	Understand Concept of a word
Oral Language:	Identify Home items
Math:	Alike or Different
Science:	5 Senses - Smell
Social Studies:	My home
Social Emotional:	Saying I am sorry

Week 8:

Phonological Awareness:	Identify rhyming words
Alphabet Recognition:	Identify Hh
Print Awareness:	Understand directionality of print
Oral Language:	Identify Family Members
Math:	Sort and Classify
Science:	From seed to sprout
Social Studies:	Around the World
Social Emotional:	Feeling Angry

Week 9:

Phonological Awareness:	Clap syllables in name
Alphabet Readiness:	Identify Tt
Print Awareness:	Understand that a word is a group of letters
Oral Language:	Review Home and family member words
Math:	Sort and classify

Science: Is it Day or Night?
Social Studies: Celebrating Thanksgiving in my family
Social Emotional: Medicine Safety

Week 10:

Phonological Awareness: Segment words by syllable
Alphabet Recognition: Identify Ii
Print Awareness: Understand concept of a letter
Oral Language: Identify Kitchen words
Math: Position
Science: Matter changes
Social Studies: From Farm to Table
Social Emotional: Using Silverware

Week 11:

Phonological Awareness: Identify Initial Sounds
Alphabet Recognition: Identify Uu
Print Awareness: Understand concept of a word
Oral Language: Identify food words
Math: Ordinal Numbers
Science: We have plants
Social Studies: Food Jobs
Social Emotional: Let's go shopping!

Week 12:

Phonological Awareness: Recognize alliteration
Alphabet Recognition: Identify Cc
Print Awareness: Understand text forms and function
Oral Language: Review Kitchen and Food Words
Math: Direction
Science: Plants we eat
Social Studies: Celebrating Thanksgiving - Families
Social Emotional: Washing Hands

Week 13:

Phonological Awareness: Clap and blend syllables
Alphabet Recognition: Identify Oo
Print Awareness: Understand uppercase letters in print
Oral Language: Identify place names and signs
Math: Count 1-5
Science: Mini Landforms
Social Studies: What is a neighborhood?
Social Emotional: No one just like you

Week 14:

Phonological Awareness: Blend syllables and compound words
Alphabet Recognition: Identify Qq
Print Awareness: Understand directionality/return sweep

Math: Make sets of 5

Science: Trees around us
Social Studies: Neighborhood Buildings
Social Emotional: Paper Dolls/Individual Uniqueness

Week 15:

Phonological Awareness: Identify rhyming words
Alphabet Recognition: Identify Gg
Print Awareness: Understand word spaces
Oral Language: Review community place and worker words
Math: Zero
Science: Insects around us
Social Studies: A Police Station
Social Emotional: Dial 9-1-1

Week 16:

Phonological Awareness: Segment words by onset and time
Alphabet Recognition: Identify Ss
Print Awareness: Match letters and sounds
Oral Language: Identify forms of transportation
Math: Patterns
Science: Weather calendar
Social Studies: Here to there
Social Emotional: Going away/Coming back

Week 17:

Phonological Awareness: Identify rhyming words
Alphabet Recognition: Identify Jj
Print Awareness: match words
Oral Language: Identify positional words
Math: Creating patterns
Science: Ground to travel on
Social Studies: All Types of Vehicles
Social Emotional: Fast and slow/ Self Control

Week 18:

Phonological Awareness: Recognize alliteration
Alphabet Recognition: Identify Dd
Print Awareness: Understand word spaces
Oral Language: Review transportation and transitional words
Math: Extending patterns
Science: Ocean or Lake?
Social Studies: Fire Station
Social Emotional: Fire Safety

Week 19:

Phonological Awareness: Identify initial sounds
Alphabet Recognition: Identify Pp
Print Awareness: Identify some letters in print
Oral Language: Identify Size words
Math: Count 1-10

Science: Observing Animals
Social Studies: On the farm
Social Emotional: Making Good Decisions

Week 20:

Phonological Awareness: Blend words by onset and rime
Alphabet Recognition: Identify Bb
Print Awareness: Distinguish letters from numbers
Oral Language: Identify domestic/farm animals
Math: Pet shop Count
Science: Pets Grow
Social Studies: Our Pets
Social Emotional: Same but Different

Week 21:

Phonological Awareness: Identify rhyming words
Alphabet Recognition: Identify Rr
Print Awareness: Match letters and sounds
Oral Language: Review size and animal words
Math: Explore 6-10
Science: Baby Animals
Social Studies: A Farm
Social Emotional: Brushing Teeth

Week 22:

Phonological Awareness: Identify Initial Sounds
Alphabet Recognition: Identify Kk
Print Awareness: Match Letters and Sounds
Oral Language: Review Seasons
Math: Investigate length and nonstandard length measurement
Science: Learn parts of a plant
Social Studies: Identify Independence Day as a holiday
Social Emotional: Growing Takes Time

Week 23:

Phonological Awareness: Blend words by onset and rime
