

RESURRECTION-ST. PAUL SCHOOL

Registration starts September 1st

Fun is the name of the game...

...but Silver Knights also sneaks in a bit of critical thinking, sportsmanship, and patience into our fully specialized chess curriculum developed by our own national chess masters.

Taught by experienced coaches, kids of all levels are introduced to fun but challenging lessons and game play.

Join our national and state champions, plus over 100,000 Silver Knights students!

This club will involve students from different cohorts.

Please be aware that while COVID precautions will be taken, the inclusion of more than one cohort does increase a child's risk of exposure and possible quarantining if they are identified as a close contact.
