

INVEST IN RSPS!

2019-2020 RSPS ANNUAL FUND GOAL: \$25,000

As part of Resurrection-St. Paul's strategic plan, the school has identified a number of fundraising initiatives that both teach philanthropy to our students while providing families ways to give that pair with their interests and giving philosophies. An important component of our fundraising program at RSPS is the Annual Fund. Like every private school, in addition to tuition, we rely heavily on funds raised through the Annual Fund to support the school's operating budget. Monies generated by the Annual Fund help us offer competitive tuition, retain talented faculty, provide exceptional academics, and outstanding enrichment programs such as the Theatre Experience, Artist in Residence, Junior Achievement, Outdoor Education, Robotics, and Financial Literacy.

DID YOU KNOW?

The money we raised last year through fundraisers was used to directly support the operating budget. This year we hope to use the funds raised through this campaign in combination with our other major fundraisers to not only support the operating budget, but to continue to grow the programs offered to students.

How your donation benefits you:

- ◆ 100% of your money stays at RSPS
- ◆ 100% tax-deductible
- ◆ All students, including your child(ren) will benefit
- ◆ Gifts of \$250 or more are acknowledged

Every student counts! Every gift counts!

Participation in the Annual Fund is so important to ensure that our students are receiving the highest quality educational experience. As well, the higher our participation, the greater the opportunity we have in receiving outside grants and funding. While we know the recommended amount may not work for every family, any gift amount is appreciated. Gifts of \$250 or more will be recognized in several ways as well as invited to attend a Principal's Reception.

We ask that you prayerfully consider supporting the 2019-2020 Annual Fund with a suggested donation of **\$250 PER FAMILY!**

Please direct questions to Stephanie Finamore or Allyson Peters.
